YOU ARE THE STORY

# Film Festival

July 7-10, 2022 / Redwood City, CA

## Our Story

Inspired by the voices not always heard, our film festival features a full weekend packed with short and feature films, panel discussions, workshops, parties and community engagement. It will open your mind, touch your heart and challenge you to see the world differently through the power of brave storytelling. Our films will highlight unique and relevant stories of justice, beauty, spirituality, diversity and equality. We seek to feature and represent women filmmakers, people of color and the LGBTQ+ community.
